The purchases/acquisitions of publicly traded Venator common stock do not equal sales plus the number of shares held at close of trading on March 11, 2022. The total number of shares of publicly traded Venator common stock entered in sections 1 and 2 must equal the total number of shares entered in sections 3 and 4 of the Schedule of Transactions (Part III of the Claim Form).	You can resolve this deficiency by supplying revised data with all the called-for share amounts in the Schedule of Transactions.
xx	CLAIM SUBMITTED WAS FOR AN INELIGIBLE SECURITY	A security listed in your Claim is not an eligible security. Publicly traded Venator common stock is the only security eligible under the Settlement. xx	DUPLICATE CLAIM FILED	The Claim referenced is duplicative of another claim filed directly by a beneficial owner or another institution that has submitted an authorization with a recent date.	<p>You can only resolve this condition of ineligibility if you can demonstrate that this Claim is not a duplicate of the Primary Claim. You must send an email explaining why you believe this Claim should not be deemed a duplicate along with acceptable documentation to support your position. If you acknowledge that this Claim is a duplicate of the Primary Claim but wish this Claim to be the operative Claim and the Primary Claim to be rejected, a signed, notarized letter from the beneficial owner of the securities stating that this Claim should be considered and that the Primary Claim should be withdrawn must be submitted along with a copy of this notice.</p>
